

## Home Literacy Environment Checklist

### Is your home literacy-friendly?

You are your child's first teacher. Your home is where your child will get his or her first experiences with books and reading.

Look around your home and think about what you do with your child. If the statement on the checklist is true, place a check in the "true" column. If the statement is false, place a check in the "false" column. When you are finished, count up the number of checks in the true column and find that number on the chart at the end of the checklist. Use the results as a guideline to see what you can do for your child.
